<p>Flags is a thinking game where you are presented with a random flag, and you must guess which country it belongs to. There are six main game modes: 1. Standard: You are given a flag and must guess the country. 2. Reverse: You are given a country name and must guess the flag. 3. Multiple Choice: You are given a flag and three options to choose from. 4. Timed: You are given a flag and must guess the country within a set time. 5. Random: You are given a random flag and must guess the country. 6. Custom: You can create your own flags and questions. The game is available on various platforms, including mobile and desktop. It is a fun and challenging way to test your knowledge of world flags and countries. The game is free to play and can be enjoyed by anyone interested in geography and flags. The game is available on various platforms, including mobile and desktop. It is a fun and challenging way to test your knowledge of world flags and countries. The game is free to play and can be enjoyed by anyone interested in geography and flags.

<p>similarly but in reverse: The game will show you a country name and present you with three flags to choose from. The quicker you answer, the more points you will earn. And the more questions you get right, the more points you will earn. The game is available on various platforms, including mobile and desktop. It is a fun and challenging way to test your knowledge of world flags and countries. The game is free to play and can be enjoyed by anyone interested in geography and flags.
