The app is a free download and is available in right now; the game was developed by EA and is a digital rebrand of the classic board game UNO. It's available on iOS and Google Play now.

1. Open the EA GAMES app on your device.
2. Search for UNO.
3. Complete the sign-in process (if you've skipped this step before).
4. Click the UNO icon to install the game.
5. UNO is available on Xbox 360, PS3, PS4, and Nintendo DS. All four platforms have multiplayer capabilities.
6. The PC version of UNO is available on Steam and is able to play online.
7. The mobile version of UNO does not feature a traditional single-player campaign, and contains only Multi Player. Zombies and the new Battle Royale mode called Blackout! Call of Duty: Black Ops
