Can Horror Movies Be Bad for Your Mental Health? - Harmonia Mentis

harmoniamentis : society : can-horror-movies-be-bad-for-your-...

bet365 app de apostas

Watching a horror movie every day

could potentially desensitize you to violence and fear, and it may also affect your sleep patterns and overall mood.

It's always a good

idea to find a balance in your entertainment choices and to engage in activities

that bring you joy and relaxation.
