<p>It's a really good game it's fun to play and entertaining I like this g

ame because you couldn't make sure the sound and there's no sound wit

hout loading up your device or 11 get down so get down so 💴 it's a real

ly good game it s fun to play and it really entertaining I like this game becaus

As you can see, make sure the sound and there's no sound without increasing

up your device or lowering it so what I would like to say is that they

should get quite a bit of an upgrade and stop telling you to continuously €

180; get something because during the run because you'd be focusing on your high

h score instead of something else as it s really distracting and take

s up a lot of your time during the run as in addition I would like to 💴

say that there is quite a couple of good things about this because you can watc

h an advert if you wanted to you to get the daily rewards are really

rewarding and you can get a lot of keys which would help you speed up

one thing I do not like about this game is how the speed goes up 💴 as

you run fast I guess that's all the cons and all the pros Plus there's a lot of

kind of thing you'd get five of something and you get is money and in

the money the randomising money thing is that you didn't after 10,00

0 coins right but usually it is 1000 coins and below which is kind of 💴

really random because it's frustrating as I'm trying to get a lot of money which

It would help if you'd allowed us to get a lot of money in a certain t

ime not just 1100 or 200</p>

The game has some very cool missions. The game deli

vers a fun futuristic action packed ride. The game can get a bit boring in a cou

ple of parts, but this is a satisfying call of duty campaign. The weapons in the

game are well done.</div></div></div></div></div>
